

GeoBlue: Global. Local. Mobile.

With the GeoBlue® mobile app, world travelers have convenient access to the best local doctors, hospitals and resources anywhere in the world.

Features

Search providers for medical, dental, or mental health care and map them using GPS technology*.

Arrange Direct Pay for future appointments to secure cashless access to care.

Access issued guarantees of payment to view and share with doctors and hospitals.

File a claim by entering information or sending a photo of a completed form.**

Find a medication's availability, generic name, and local brand name.

Translate medical terms and phrases for many symptoms and situations; use the audio feature to play the translation.

Display an ID Card on a smart phone and email/fax a copy directly to provider's office.

View country or city profiles on crime, terrorism and natural disasters.

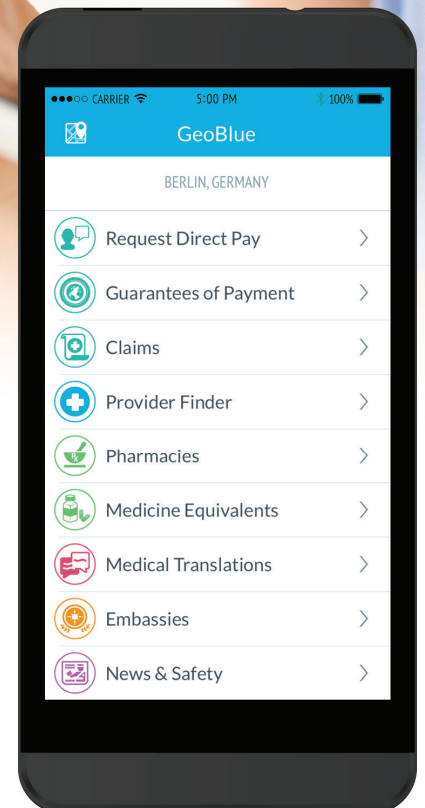

Get Started

Download the app and login using your username and password from geobluestudents.com or register as a new user through the app using information from your ID card.

* Kindle device does not support mapping options.

** Available for long-term plans only
